2023

UKULELE FESTIVAL

This songbook was put together by **The Ukulele Project**, a not for profit organisation whose mission is to combat loneliness, build confidence and promote wellbeing. We strongly believe in the power of music to build strong communities and support music making for EVERYONE!

These songs are some of our favourites from our resources so they have been tried and tested with our own ukulele groups and patrons!

On most of the songsheets you'll see there is a QR code like this

You can scan the code using the camera on your smart phone and it will take you to a playalong/tutorial over on our YouTube channel so that you can continue to jam with us beyond the weekend.

To find out more about the work that we do please visit our website www.ukuleleproject.co.uk

C Dm F C x 2

[G] Wake up Maggie I [F] think I've got something to [C] say to you [C]
 It's [G] late September and I [F] really should be [C] back at school [C]
 I [F] know I keep you a-[C]mused, but I [F] feel I'm being [G] used
 Oh [Dm] Maggie I couldn't have [Em] tried any [Dm] more [Dm]
 You [Dm] led me away from [G] home, just to [Dm] save you from being a-[G]lone
 You [Dm] stole my heart and [G] that's what really [C] hurts [C]

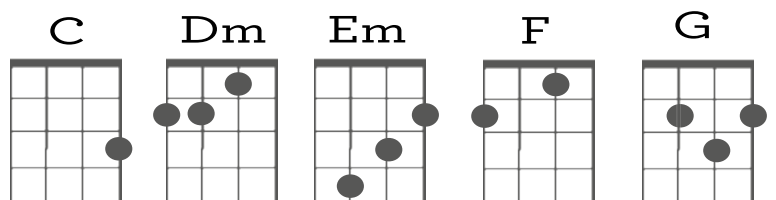

The [G] morning sun when it's [F] in your face really [C] shows your age [C]
 But [G] that don't worry me [F] none in my eyes you're [C] everything [C]
 I [F] laugh at all of your [C] jokes, my [F] love you didn't need to [G] coax
 Oh [Dm] Maggie I couldn't have [Em] tried any [Dm] more [Dm]
 You [Dm] led me away from [G] home, just to [Dm] save you from being a-[G]lone
 You [Dm] stole my soul and that's a [G] pain I can do [C] without [C]

[G] All I needed was a [F] friend to lend a [C] guiding hand [C]
 But you [G] turned into a lover and [F] mother what a lover you wore [C] me out [C]
 [F] All you did was wreck my [C] bed and in the [F] morning kick me in the [G] head
 Oh [Dm] Maggie I couldn't have [Em] tried any [Dm] more [Dm]
 You [Dm] led me away from [G] home 'cause you [Dm] didn't want to be a-[G]lone
 You [Dm] stole my heart I couldn't [G] leave you if I [C] tried [C]

Dm G C F Dm F G C C

I [G] suppose I could coll-[F]ect my books and get on [C] back to school [C]
 Or [G] steal my daddy's [F] cue and make a living out of [C] playing pool [C]
 Or [F] find myself a Rock and Roll [C] band that [F] needs a helping [G] hand
 Oh [Dm] Maggie I wish I'd [Em] never seen your [Dm] face [Dm]
 You made a [Dm] first class fool out of [G] me,
 but I'm as [Dm] blind as a fool can [G] be
 You [Dm] stole my heart but I [G] love you any-[C]way [C]

 Give me the secret man-cub, just clue me what you do.
Dm/ C7/
 Give me the power of man's red flow'r and make my dreams come true- ooh.

CHORUS

Dm **A7**
 I like your mannerisms, we'll be a set of twins,
Dm

 'Cause I'll become a man-cub and learn some etti - keet. ooooh

Something different, all the girls they seem to like you,

Cause you're handsome, like to talk and a whole lot of fun

Gonna take your mama out all night, Yeah we'll show her what it's all about

We'll get her jacked up on some cheap champagne, We'll let the good times all roll out

A

And if the music ain't good, well it's just too bad, We're gonna sing along no matter what

Bm

Because the dancers don't mind at the New Orleans, If you tip 'em and they make a cut

It's a struggle, livin' like a good boy oughta, In the summer, watchin' all the girls pass by

A

G

When your mama, heard the way that you'd been talking,

Bm

I tried to tell you, that all she'd wanna do is cry

Now we end up takin' the long way home, Lookin' overdressed wearin' buckets of stale cologne
